Islamic democracy is a political ideology that seeks to apply Islamic principles to public policy within a democratic framework. Islamic political theory specifies three basic features of an Islamic democracy: leaders must be elected by the people, subject to sharia, and committed to practicing "shura", which is Arabic for "consultation". The expression of Islamic democracy is different in ...

Democratic development in Hong Kong has been a major topic since the transfer of sovereignty to China in 1997. The one country, two systems principle allows the Hong Kong government to administer all areas of government except foreign relations and (military) defence separately from the national Chinese government. Many Hong Kong citizens became concerned about democratic development when the ...
