Computers have often been used as fictional objects in literature, movies and in other forms of media. Fictional computers tend to be considerably more sophisticated than anything yet devised in the real world. This is a list of computers that have appeared in notable works of fiction. The work may be about the computer, or the computer may be an important element of the story.

The offspring from this illicit union between angels and human women were giants who became mighty men which were of old, men of renown. (Genesis 6) The fact that they were giants, is also proof in and of itself that their parentage was superhuman. But these giants were evil. Having been born of corrupted, Satanic angels they dominated the Earth and filled it with violence.
