Hot pants, or 'short shorts', are a fashion item from the 1960s which is still popular today. They first appeared
as a design item in so-called 'Swinging London'. The trend for shorter, brighter shorts for young women was
started by designers in London such as Mary Quant.. Running or gym shorts are worn by girls as normal
wear in some places. Many gym shorts have an inlay made of a comfortable ...

Trousers (British English) or pants (American English) first appear in recorded history among nomadic
steppe-people in Western Europe. Archaeological evidence suggests that men and women alike wore pants
in that cultural context. However, for much of modern history, the use of trousers has been restricted to men.
