Global Skill Partnerships could have financing mechanisms different from the above example. Initial finance could come either from the German government, from private-sector employers, or both.

Global Skill Partnerships: A Proposal for Technical

The Global Environment Outlook (GEO) is often referred to as UN Environmentâ€™s flagship environmental assessment. The first publication was in 1997 and was originally requested by Member States. It is a flagship report because it fulfills the core functions of the organization, which date back to the UN General Assembly resolution that established the UN Environment Programme in 1972.
