Although the genre is very old, the romance novel or romantic novel discussed in this article is the mass-market version. Novels of this type of genre fiction place their primary focus on the relationship and romantic love between two people, and must have an "emotionally satisfying and optimistic ending." There are many subgenres of the romance novel, including fantasy, historical romance ...

i can't use every pixel (not just edges also extra pixels don't take the touch signal) and sometimes i need to force with stylus pen to write anything when i am taking notes so big screen is not so good for notes but reading experience is good. you can listen audible book at the same time when you are reading something on

the screen.also it is fast,good on pdf documents.
