Homeschooling, also known as home education is the education of children at home or a variety of other places. Home education is usually conducted by a parent or tutor or online teacher. Many families use less formal ways of educating. "Homeschooling" is the term commonly used in North America, whereas "home education" is commonly used in the United Kingdom, Europe, and in many Commonwealth ...

Homeschooling in the United States constitutes the education of about 3.4% of U.S. students (approximately 2 million students). In the United States, the Supreme Court has ruled that parents have a fundamental right to direct the education of their children. The right to homeschool is not frequently questioned in court, but the amount of state regulation and help that can or should be expected ...
