My mother makes me read the CSM articles sometimes. And this is true, we kids learn by examples, if my mom does something, I want to do it too but when I see her not using the phone much, I'm also forced to not use my phone.

How to Raise a Good Human in a Digital World | Common

A mother is the female parent of a child. Mothers are women who inhabit or perform the role of bearing some relation to their children, who may or may not be their biological offspring. Thus, dependent on the context, women can be considered mothers by virtue of having given birth, by raising their child(ren), supplying their ovum for fertilisation, or some combination thereof.
