millionaire selling secrets how pdf

Multi-level marketing (MLM), also called pyramid selling, network marketing, and referral marketing, is a marketing strategy for the sale of products or services where the revenue of the MLM company is derived from a non-salaried workforce selling the company's products/services, while the earnings of the participants are derived from a pyramid-shaped or binary compensation commission system.

Multi-level marketing - Wikipedia

I Have Therefore Compiled All These Internet Business Opportunities And How You Can Profit From Them Into A Single Package, â€˜Titledâ€™™ I referred to it as a package because, it is made up of SEVERAL electronic books(e-books and videos) containing specialized instructions, step-by-step guide, and information on each of the topics I have discussed so far including the profitable business ...
