How to Take Your Mind off Things. Learning to take your mind off of things that are bothering you, stressing you out, or otherwise occupying your mind is an important life skill. Try these suggestions to clear or distract your mind and...

4 Ways to Take Your Mind off Things - wikiHow

A mind map is a diagram used to visually organize information. A mind map is hierarchical and shows relationships among pieces of the whole. It is often created around a single concept, drawn as an image in the center of a blank page, to which associated representations of ideas such as images, words and parts of words are added.

Remember, your goal is not to become a celebrity, but instead to build your value by becoming a recognized leader in your area of expertise. Also keep in mind that authority is perhaps the greatest multiplier of your market value. Although the process may take years if you can commit to it, it will pay big dividends to your career in the long run.
