Miss Amelia is 29 and is considered "on the shelf". It's refreshing to read a story about older characters. The writing is excellent, editing is outstanding and the male and female narrators really bring the story to life. If you haven't listened, you are really missing out on a wonderful experience. ... Miss Amelia Lands a Duke. ... Miss Amelia and the Duke First, I'll say the cover for this book suits the story so well! I love that the Duke, being close to 50, is still portrayed as a very handsome and virile man, with just a touch of gray at his temples. Amelia is a very likeable, strong, female character that you can't help but appreciate.
