

### **modern materialism its attitude pdf**

Postmodernism is a broad movement that developed in the mid- to late 20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. ( In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...

Eliminative materialism (also called eliminativism) is the claim that people's common-sense understanding of the mind (or folk psychology) is false and that certain classes of mental states that most people believe in do not exist. It is a materialist position in the philosophy of mind. Some supporters of eliminativism argue that no coherent neural basis will be found for many everyday ...
