

### **modernism in european drama pdf**

Modernism is a philosophical movement that, along with cultural trends and changes, arose from wide-scale and far-reaching transformations in Western society during the late 19th and early 20th centuries. Among the factors that shaped modernism were the development of modern industrial societies and the rapid growth of cities, followed then by reactions of horror to World War I.

### **Modernism - Wikipedia**

American modernism, much like the modernism movement in general, is a trend of philosophical thought arising from the widespread changes in culture and society in the age of modernity. American modernism is an artistic and cultural movement in the United States beginning at the turn of the 20th century, with a core period between World War I and World War II.
