Here is a list of ways to build your energy for creating more money: COMMITMENT: You'll want to commit yourself to the process because one necessary piece of information to manifest money is that there is a time lag between emitting the energy and the response, so bear this in mind when starting your process to manifest money. Also, the Universe responds energetically to commitment.

A banknote (often known as a bill, paper money, or simply a note) is a type of negotiable promissory note, made by a bank, payable to the bearer on demand. Banknotes were originally issued by commercial banks, which were legally required to redeem the notes for legal tender (usually gold or silver coin) when presented to the chief cashier of the originating bank.
