Click Image to Order via Amazon. An excerpt from Zari Ballard's book When Love Is a Lie: A narcissist's pathological relationship agenda is a phrase that I coined relevant to the undeniable fact that every narcissist we will ever meet or read about treats their partners the exact same way. And if I do say so myself, I haven't read or heard a phrase that explains it any better.

The Narcissist's (Pathological) Relationship Agenda

Download from Amazon Today. At that grandiose point that we realize that our partner is a narcissist/sociopath, we can also assume that we've been his/her enabler for a very long time. Our codependency to the narcissist and to the relationship drama itself has almost as much to do with our allowing it as it does with the narcissist's manipulation.

Don't Be a Narcissist's Enabler

Thank you for this post. I am the child of a narcissistic mother and have detached from the unhealthy cycle that continuously repeated itself in our relationship.

This question is one I hear so many times. People write to me and say "I have done the research, and apparently narcissists don't change. But can a narcissist heal? How can he / she change?" This was a question, once upon a time I agonised over myself. With the first narcissistic abuse experience I was so deluded into believing I still loved him, and we were truly meant to be together.
