The New Engineering Contract (NEC), or NEC Engineering and Construction Contract, is a formalised system created by the Institution of Civil Engineers that guides the drafting of documents on civil engineering and construction projects for the purpose of obtaining tenders, awarding and administering contracts. As such they legally define the responsibilities and duties of Employers (who ...

Liquidated damages (also referred to as liquidated and ascertained damages) are damages whose amount the parties designate during the formation of a contract for the injured party to collect as compensation upon a specific breach (e.g., late performance).. When damages are not predetermined/assessed in advance, then the amount recoverable is said to be 'at large' (to be agreed or determined by ...
