An international marriage, or transnational marriage, is a marriage between two people from different countries. A variety of special issues arise in marriages between people from different countries, including those related to citizenship and culture, which add complexity and challenges to these kinds of relationships.. Culture and language differences are often encountered as obstacles ...

ACKNOWLEDGEMENT TO COUNTRY . In Australia, the protocol is to recognise the Traditional Owners of the land to which we are gathering. Therefore, all presentations must begin with an acknowledgment to country and to local Traditional Elders: “We wish to acknowledge and respect the traditional custodians whose ancestral lands we are to meet upon.

The reflective and interrogative processes required for developing effective qualitative research questions can give shape and direction to a study in ways that are often underestimated. Good research questions do not necessarily produce good research, but poorly conceived or constructed questions will likely create problems that affect all subsequent stages of a study.
