Development and Development Paradigms 1 A (Reasoned) Review of Prevailing Visions 1 SUMMARY This paper attempts to sketch prevailing development paradigms, i.e. the definition of modalities to achieve

development, based on either a codified set of activities and/or based on a vision regarding the functioning and evolution of a socio-economic system.

Development and Development Paradigms

audit, the district would need to provide evidence of the professional development provided to the new teachers listed in REP, including: 1. Dates on which that these professional development days occurred. These dates must be different dates from the regular, annual, five-day offering of professional development under MCL 380.1527; 2.

18 New developments in marketing The application of the Internet is leading to new developments in marketing, in relation to both suppliers and customers. A major development is the change from supply driven to demand driven. No longer is the major focus to make a transaction (deal), but to create an individual relationship.
