

no regrets no remorse pdf

Regret is a negative conscious and emotional reaction to one's personal decision-making, a choice resulting in action or inaction. Regret is related to perceived opportunity. Its intensity varies over time after the decision, in regard to action versus inaction, and in regard to self-control at a particular age. The self-recrimination which comes with regret is thought to spur corrective action ...

Regret - Wikipedia

Remorse is a distressing emotion experienced by a person who regrets actions which they deem to be shameful, hurtful, or violent. Remorse is closely allied to guilt and self-directed resentment. When a person regrets an earlier action or failure to act, it may be because of remorse or in response to various other consequences, including being punished for the act or omission.
