Kitchen, garden, and other green waste can be recycled into useful material by composting into leaf mold and regular compost. This process allows natural aerobic bacteria to break down the waste into fertile topsoil. Much composting is done on a household scale, but municipal green-waste collection programs also exist.

A wedding invitation is a letter asking the recipient to attend a wedding. It is typically written in formal, third-person language and mailed five to eight weeks before the wedding date. Like any other invitation, it is the privilege and duty of the hostâ€™ historically, for younger brides in Western culture, the mother of the bride, on behalf of the bride's familyâ€™ to issue invitations ...

Authored by Charles Hugh Smith via OfTwoMinds blog, Our institutional failure reminds me of the phantom legions of Rome's final days. The mainstream media and its well-paid army of "authorities" / pundits would have us believe the decline in our collective trust in our institutions is the result of fake news, i.e. false narratives and data presented as factual.
