Socialism is a range of economic and social systems characterised by social ownership and workers' self-management of the means of production as well as the political theories and movements associated with them. There are many varieties of socialism and there is no single definition encapsulating all of them, though social rather than individual ownership is the common element shared by its ...

Socialism in India is a political movement founded early in the 20th century, as a part of the broader Indian independence movement against the colonial British Raj. It grew quickly in popularity as it espoused the causes of India's farmers and labourers against the zamindars, princely class and landed gentry. Socialism shaped the principal economic and social policies of the Indian government ...

Socialism in India - Wikipedia

Socialism is an economic system where the ways of making a living (factories, offices, etc.) are owned by a society as a whole, meaning the value made belongs to everyone in that society, instead of a group of private owners. People who agree with this type of system are called socialists. There are two ways socialists think of the way society can own the means of making wealth: either the ...
