discourse and a student's religious commitment, are not mere pedagogical nuisances but, in fact, may strain the possibilities of ideological coherence for student writers more generally. Some scholars operate from the premise that the greatest enemy to a student's grasping of an issue is the tension arising from differing viewpoints.

Students are quite different in grades of school. Some students always keep good records, some students often keep bad records. Why it is so? Let's analyze it. Firstly, good and bad students are different in purpose. Good ones have clear purposes, bad ones do not. Secondly, good students have good controls over themselves.
