### **writing fiction outlines step pdf**

Here is an easy system you can use to outline your novel if you find it helpful. Remember: there's no right way to make a novel outline -- this is just one option! 1) Before you start your actual novel outline, spend some time brainstorming freely, letting your imagination run, generating ideas, and writing them down.

outline for every page of text you guesstimate, for example, twenty lines of outline for a twenty-page chapter. This doesn't have to be exact, but it will help you make the length of your outline relate to the length of your chapter. The Golden Rule for Writing Outlines is: Write about the chapter, not about the subject.
