A self-evaluation is a great opportunity for employees to honestly and objectively consider and document their performance. Note: To prepare for a transition to the new Workday system later in 2018, some changes have been made to the performance templates in an effort to simplify the form and focus attention on performance goals for the coming year.

Business writing must include certain style and grammatical requirements and norms as follows: Know your audience. Also be mindful of your tone, which will vary depending on the message you wish to convey, notes "Technical & Business Writing." For example, a letter of complaint will have a far different tone than a grant proposal, says the reference guide.
