

youth suicide prevention programs pdf

Violence is a significant problem in the United States. From infants to the elderly, it affects people in all stages of life. In 1992, CDC established the National Center for Injury Prevention and Control (NCIPC) as the lead federal organization for violence prevention. CDC is committed to stopping violence before it begins.

Violence Prevention Home Page - Centers for Disease

Primary care is the setting in which Americans receive most of their health and behavioral health care. Frequent contacts and long-standing relationships between primary care providers and their patients make this an ideal setting for suicide prevention.
